STATEMENT

Hello, Iam **Mafiur Islam**, residing in Ashoknagar, West Bengal. I am 22 years old and hold a degree from Netaji Satabarshiki Mahavidyalaya College in **Ashoknagar.**

My professional expertise lies in ***web design, with over a year of dedicated learning experience***. I excel in transforming web PSDs into fully functional web pages, proficiently identifying and rectifying any errors that may arise.

I approach tasks with a direct and determined mindset, demonstrating persistence and resilience in over coming challenges. My proficiency extends beyond web development, encompassing various strength sports skills, a testament to my commitment to continuous improvement.

As a passionate web designer, I possess a robust foundation in ***HTML, CSS, jQuery, Bootstrap*** and ***Photoshop***, and I am actively learning JavaScript to further enhance my skill set. I take pride in crafting visually appealing and user-friendly websites that prioritize an exceptional user experience. exceptional user experience.
